

Settings

Anonymous "user" name

The **Anonymous "user" name** is the value that replaces the **{seller}** tag in the Display Classified and Print-Friendly Classified templates, if the listing being shown was placed anonymously.

<tip c n>All anonymous listings are managed by the admin in the same way that all listings are managed. They are attached to a user but in this case the anonymous username you create and name in the addon. For more specifics on administrating listing go to the [Admin edit/delete listings tutorial](#) </tip>

Require User Agreement

If this is enabled, the Terms of Use / User Agreement text from the registration process will be inserted into the listing process. Sellers will have to agree to the Terms of Use before being allowed to complete a listing.
