

# Edit Text [S]

This page allows you to edit text that might be used by a specific addon, on a per language basis.

Text for Storefront Addon ▲

For English Language

Title column header	<input type="text" value="Title"/>
<a href="#">Reset to Default</a>	
Logo column header	<input type="text"/>
<a href="#">Reset to Default</a>	
Item total column header	<input type="text" value="Items"/>
<a href="#">Reset to Default</a>	
Description column header	<input type="text" value="Description"/>
<a href="#">Reset to Default</a>	
City column header	<input type="text" value="City"/>
<a href="#">Reset to Default</a>	
State column header	<input type="text" value="State"/>

A few things to note about editing addon text:

- There will be a different section for every language you have defined on your site.
- Once you change a particular text field, you can change it back to the default text by clicking on the *Reset to Default* link.
- Once you have made the changes needed, at the bottom of the page click the **Save Text Changes** button.
