

Edit (s)

This page allows you to edit the template or templates attached to a page. Every page will have a **default template** attached, this is the template that is used if no other template attachments apply. Depending on the page, you can have alternate template attachments such as category specific attachments (used when browsing categories), or language specific templates.

Template Sets: **my_templates** Change

Design Mode: Advanced Switch to Standard Mode

Template(s) Attached to: **Browse Categories (Page ID: 3)**

Default Template Attachment

Default Template:

Category & Language-Specific Template Attachments

You can attach templates on a language and/or category specific basis by adding such attachments below. The **default template** attachment set above will be used if there is no template attached for a specific language or category.

<input type="checkbox"/>	Language	Category	Attached Template
<input type="checkbox"/>	Base/Fallback Language (English)	15 - Automobiles	<input type="text" value="browsing_autos.tpl - [my_templates]"/>
<input type="checkbox"/>	Base/Fallback Language (English)	176 - Books	<input type="text" value="browsing_books_page.tpl - [my_templates]"/>
<input type="checkbox"/>	<input type="text" value="Base/Fallback Language (English)"/>	<input type="text" value="All Categories"/> - OR - Category ID: <input type="text"/>	<input type="text"/>
