

## Downloading your software from the Client Area

As a customer of Geodesic Solutions, you will have access to your own personal client area on our site that allows you to access and download your software and available updates any time, day or night. Once your order is placed, you will receive an email with instructions on how to access the "client area" (different from the Support Center login).

Once you access your client area you will see a screen similar to the image displayed below. Click on the **View** button for the particular order that you want to download.
